

Brookview Church Presents

Tent City

raising tents
to raise money for Haiti
March 12-13, 2010

Who is involved? Everyone: kids, teens, adults, friends, neighbors, family...you get the idea!

What will we do? Build TENT CITY. Eat. Pray. Worship. Play games. Make a bonfire. Watch a movie. Sleep in tents. Tear down. Go home.

Who do we ask for support? The best way to raise money is to ask family, friends, teachers, church members, co-workers, local businesses, banks, etc. for their partnership in this endeavor.

How do we raise money? Sponsor a tent for \$50 (as an individual or a group), and a tent will be put up in your name. One tent will be put up for every \$50 donated. Anyone can sponsor a tent! When you sponsor a tent, your prayer, your scripture or your business name (up to a certain number of characters) will be placed on the side of a tent.

How does the money get to Haiti? All proceeds will be given to World Hope International to minister directly to people living in tent city! WHI is a non-profit, faith-based relief and development organization alleviating suffering and injustice through education, enterprise and community health.. (www.worldhope.org)

Want to partner with us? Call Brookview Church at 956.6425 to join us!
